

Bejo is an internationally operating Dutch family company specialised in breeding, production and sales of vegetable seeds. The quality of our product is our top priority. Together with our highly motivated and committed staff, we want to boost our innovative company's growth worldwide.

The colleagues from the Sales department are responsible for the worldwide sales and advice of vegetable seeds. In 2017, we opened Bejo Seeds India LTD company. India is one of the biggest vegetable seed markets with huge potential for Bejo. We are looking for a motivated and adventurous student to keep track on the Bejo variety trials in the states of Gujarat and Maharashtra.

INTERNATIONAL INTERNSHIP Onion Farming India January 2023 until April 2023, fulltime

WHAT ARE YOU GOING TO DO?

- Guide the Bejo vegetable trials on short day tropical onion varieties
- Visit growers in the region for technical growing advice and support
- Be a sparring partner on high tech and long term onion/carrot storage
- Promote Bejo as a seed supplier and organize field days and seminars
- Report and conclude all collected data from the trials and market developments
- Develop a marketing plan and a trial result report and present it

WHAT WILL YOU LEARN?

- Farm experience in tropical climate and in harvest period
- Deal with a unique culture and business environment
- Commercial experience
- Experience in the international vegetable breeding sector
- Frequent international meetings both face to face and online

YOUR POWER

- Student of an HBO/WO agricultural study
- Fluent in English, both verbal and written
- Practical experience in, and 'feeling' for vegetable farming
- Open minded and adventurous person
- Drive to work internationally with feeling for different cultures
- Know-how of vegetable storage and handling is a plus

OFFER

- Independent internship opportunity with room for own ideas and development
- Gaining experience in working in an international oriented setting
- Housing and international travel accommodated
- Opportunity to explore and enjoy India's culture and heritage
